## Objective

Motivated and detail-oriented Computer Science graduate seeking to join as a Junior Software Developer. I am eager to apply my knowledge in C++ and Java, and undergo intensive training to grow into a well-rounded, industry-ready developer.

## **Education**

Bachelor of Science in Computer Science (cum laude)

University of the Philippines Cebu

Graduated: July 2025

- Relevant Coursework: Data Structures, Software Engineering, Computer Networks, Web Engineering, Japanese Language and Culture
- Capstone Project: A Time Series Forecasting Model for Bitcoin using Neural ODEs

#### **Technical Skills**

- Programming Languages: C, C++, C#, Java, Python, HTML, CSS, JavaScript
- Frameworks & Libraries: .NET Framework, ReactJS, NextJS, Django
- Databases: MySQL, MSSQL, PostgreSQL
- Tools & Technologies: Git, Visual Studio, Agile Development, TCP/IP
- Other: Full-stack development roles experience, basic Japanese proficiency, project management experience, fast learner

# **Projects**

Commuting and Navigation Website (HTML, Typescript, NextJS, Tailwind, PostgreSQL)

Developed a website that helps users navigate and guide on what rides to take here in Cebu.

Ticketing Web Application (C#, .NET Framework, MSSQL, Bootstrap)

Developed a web application that helps in managing tickets for a company.

Politician Information Chatbot Website (Typescript, NextJS, Python, Django)

Allows users to inquire about politician publicly known information, using a chatbot.

# **Certifications and Training**

- Summer Bridge Training Program Alliance (2024)
  - Developed a web application using C# and .NET Framework
  - Gained hands-on experience in project management practices
- Basic Japanese Language and Culture Elective course, UP Cebu, Self-Study (Ongoing)
- Self-paced Learning via YouTube Topics: HTML, CSS, JavaScript, C# (2022–2025)

### Strengths

- Strong foundation in programming logic and problem-solving
- Willing to undergo intensive training and learn new technologies
- Interested in Japanese language and culture

**Availability:** Available for full-time training and employment
